Whereas the Jackson County Fair Board, the governing body for the Jackson County Agricultural Society, hereby proclaims, on July 25th, 2020, the demolition derby during the Jackson County Fair will be known as the

Brent Jenkins was a current Jackson County Fair Board Director serving in his second term, initially elected to the board in December 2013. Brent was an outstanding supporter of the Jackson County Fair, and his love for the fair carried many projects to completion. Brent had a passion for motorsports and a true love for the immensely popular Jackson County Fair Demolition Derby. Brent's family formed the famous Brent's Brigade in his battle against cancer. JESS KELLIE ADAMS

Texas-born, Ohio-raised and Nashville-living, Jess Kellie Adams is a Country artist/songwriter whose mission is to spread love through her storytelling. Jess has a positive, energized and honest approach to her songwriting and performance that draws in a crowd. The diversity in the music and the approach to each song takes the listener on a rollercoaster ride through heartbreak to love and strength. It's easy to say that Jess' music is creative, bold, fearless and raw in emotion.

Raised in Ohio, Jess has entertained at many fairs and festivals across the United States. She has shared the stage with artists such as: Joe Diffie, Kip Moore, Jason Michael Carroll, Josh Thompson, Swon Brothers, John Michael Montgomery, Billy Ray Cyrus, Daryl Singletary, and Julianne Hough. Jess has been writing country music songs ever since she and her Grandpa would listen for hours to the radio. Jess grew up listening to: The Chicks, Sara Evans, Loretta Lynn, Conway Twitty, Johnny Cash, Miranda Lambert, Martina McBride, Reba McEntire, Merle Haggard, Earl Thomas Conley, George Strait, Loretta Lynn, Patsy Cline, and more. These artists helped Jess showcase her old soul while also keeping her spunky, stubborn edge.

"I played wherever I could - I was thrown out of my first bar at 15 years old. That sounds kind of bad, but my mom was the one to take me because they had karaoke and I wanted to sing," Jess says. "I entered an 18 and over singing competition when I was 16 because I wanted to entertain. My mom took me there as well and my grandparents went every week. I think they questioned their parenting abilities a few times because I was in a bar singing on top of a pool table. Haha! But it was a blast! I made the top 4 but was eliminated when my true age was revealed." Jess continues.

Jess moved to Nashville at the age of 19 leaving behind a steady weekly tour schedule to pursue Entertainment Industry Studies and Music Business at Belmont University. She graduated in May of 2018 and is busy writing, creating, playing shows, and connecting with her fans on a daily basis.

Make sure to follow @JessKellieAdams on Instagram, Facebook, YouTube, and Twitter and be sure to catch Jess playing a show in a town near you!

In Memory of **Bruce Smith**

He was born October 21, 1956 in Wellston, Ohio, son of the late Ivan Earl Smith and Nellie Mae Brown Smith. Bruce graduated from Wellston High School in 1975. He retired from Southern Ohio Coal Company, where he was employed for several years.

No matter who you were, everyone was always important to Bruce. He always wanted to know all about you and your life story. Throughout his life, Bruce was active in numerous organizations including Black Diamond Lodge #538 F&AM, Wellston Lions Club, Jackson County Bow Hunter's Club, Fairgreens Country Club and an honorary life member of the Jackson County Fair Board. He wanted the fairgrounds, this town to be a place the children could be proud of and enjoy. Bruce was always ready to have a good time with family and friends.

He loved taking Sunday afternoon drives long enough to just get lost! He enjoyed fishing, bow hunting, archery, golfing and gun hunting, and took great pride in mowing the grass. Bruce was a diehard Wellston Golden Rockets fan who loved watching his #16 on the football field. He is survived by his wife, Donna G. Conn Smith; children, Shane Smith, and his wife, Rayanna of Wellston, Corey Smith, and his wife, Corrinne of Wellston, Misty Stump (Bill Sparks) of Columbus and Amber Keffer of Columbus; grandchildren, Mackensie, Hunter, Sophia, Shelby, Quinn, Chenede, Calleigha, Casen, Victoria, Patience, Aaron, Damion, Nicole and Julia; siblings, Earlna Nelson (Harold) of Jackson, Randy Smith of Florida, Dick Smith of Kentucky and Debbie Bishop of Wellston; as well as several nieces and nephews, including special nephews, Jeremy Smith and Adam Smith.

Thank you for the honor of recognizing Bruce this would have meant the world to him. I want to challenge the young people, to get involved stay involved. Take pride in the work of your hands. Be an example, keep the fairgrounds and this country clean healthy and happy.

Thank you so much
the BRUCE SMITH Family

2. All 4-H & Vocational Agriculture Students are eligible to make an exhibit free of charge.
3. Each Junior Fair Exhibitor must exhibit at the County Fair to be eligible for a premium.
4. To be eligible to participate in the Jr. Fair shows or activities at the Jackson County Fair, a boy or girl must be a member in good standing of Jackson County 4-H, Vocational Agriculture, FCCLA, or other youth organizations. All entries must be a part of the exhibitor's current project.
5. All livestock must be owned, in the specific possession under the care of the member by the possession deadline for that project.
6. The barn superintendents(s), 4-H Advisory Council, Livestock Committee, Horse Committee or the County Extension Educator have the power to reject any exhibitor not following the rules.
7. Any exhibitor, parent or spectator who is behaving inappropriately will be asked to change their behavior or asked to leave.
8. Jr. Fair exhibitors are encouraged to exhibit in the open class if appropriate. However, such exhibitors must pay the open class entry fee and abide by open class rules, regulations and deadlines. No exhibitor's pass is required.
9. Each member may sell a maximum of one (1) market unit through the Jackson County Jr. Fair Livestock Sale unless an exhibitor has multiple Top Ten animals (as placed by the judge). **ALL Grand and Reserve Champion Animals must sell in the Livestock Sale** with the exception of Market Beef Feeders. **If an exhibitor has multiple Top Ten animals (as placed by the judge in the market show) they can opt to sell a maximum of two (2) market units.** The only exception to this rule would be if they had more than two Grand and Reserve Champion animals.
10. The **Sale Order for each species** (where these awards apply) will be: Grand Champion, Reserve Champion, Top County Bred, Runner-Up County Bred, Overall Showmanship Winner for that Market Species, Rate-of-Gain, Top Ten (as placed by the judge) and then the remaining sale order as placed by the sale rotation. 12. If a member fails to complete the Sale Animal Selection Form and turn it in to the Livestock Committee or Extension personnel in the Junior Fair Office, **the Livestock Committee will decide which animal you will be selling** and that will be your only option for selling an animal through the livestock sale. **The committee will choose the first market unit that would go through the ring in the livestock sale based on the sale order for that year if you do not turn in a Sale Selection Form. If you do not turn in a Sale Animal Selection Form you are ineligible to opt to sell multiple Top Ten market units.**

It is unlawful to harass a person (an applicant or employee) because of that person's sex. Harassment can include "sexual harassment" or unwelcome sexual advances, requests for sexual favors, and other verbal or physical harassment of a sexual nature.

Harassment does not have to be of a sexual nature, however, and can include offensive remarks about a person's sex. For example, it is illegal to harass a woman by making offensive comments about women in general.

Both victim and the harasser can be either a woman or a man, and the victim and harasser can be the same sex.

Although the law doesn't prohibit simple teasing, offhanded comments, or isolated incidents that are not very serious, harassment is illegal when it is so frequent or severe that it creates a hostile or offensive work environment or when it results in an adverse employment decision (such as the victim being fired or demoted).

The harasser can be the victim's supervisor, a supervisor in another area, a co-worker, or someone who is not an employee of the employer, such as a client or customer.

Section 7: Whistleblower Policy - General: The Jackson County Agricultural Society expects its directors and officers to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As representatives of the Society, we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

Reporting Responsibility:

It is the responsibility of all directors, officers and employees to report violations or suspected violations in accordance with this Whistleblower Policy and Ohio's Whistleblower Code.

No Retaliation:

No director, officer or employee who in good faith reports a violation of the Code shall suffer harassment, retaliation or adverse consequence. A director, officer or employee who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of their duties. The Whistleblower Policy is intended to encourage and enable any related or interested party to raise serious concerns within the Society prior to seeking resolution outside the Society.

Reporting Violations:

The Code addresses the Society's open door policy and suggests that all parties share their questions, concerns, suggestions or complaints with someone who can address them properly. In most cases, the Secretary or the Treasurer is in the best position to address an area of concern. However, if someone is not comfortable speaking with the Secretary or the Treasurer or they are not satisfied with the response from either or both parties, they are encouraged to speak with the President of the Society who has the specific responsibility to investigate all reported violations. For suspected fraud, or when someone is not satisfied or is uncomfortable with the President's response the Immediate Past President should be contacted. In these cases the Immediate Past President shall have the responsibility to investigate any suspected violations.

Compliance Officer:

The Board President shall serve as the Society's Compliance Officer and is responsible for investigating and resolving all reported complaints and allegations concerning violations of the Code and, at his discretion, shall advise the Board of Directors and/or the Executive Committee. The Compliance Officer shall have direct access to the Executive Committee of the Board of Directors and is required to report to the Executive Committee at least annually on any compliance activity.

Accounting and Audition Matters:

The Executive Committee of the Board of Directors shall address all reported concerns or complaints regarding corporate accounting practices, internal controls or auditing. The Compliance Office shall immediately notify the Executive Committee of any such complaint and work with the committee until the matter is resolved.

Acting in Good Faith:

Anyone filing a complaint concerning a violation or suspected violation of the Code must be acting in good faith and have reasonable grounds for believing the information disclosed indicates a violation of the Code. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as a serious offense.

Confidentiality:

Violations or suspected violations may be submitted on a confidential basis by the complainant or may be submitted anonymously. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

Handling of Reported Violations:

The Compliance Officer will notify the sender and acknowledge receipt of the reported violation or suspected violation within five business days. All reports will be promptly investigated and appropriate corrective action will be taken if warranted by the investigation.

4-H JUNIOR FAIR HORSE PROJECT

Saturday of Fair, 9am – Horse Arena
Showmanship, Horsemanship & Contest

HEALTH REQUIREMENTS:

Horses and ponies must be free of signs of contagious or infectious disease. Health certificates and vaccinations are not required for the Jackson County Fair or Ohio State Fair competition. The vaccinations are highly recommended before coming to the fair. Animals will be subject to vet inspection at the fair and must have an appropriate body condition score to remain on the fairgrounds. This is the decision of the fair vet and all decisions are final.

RULES:

1. 4-H members must be enrolled in Jackson County 4-H club with their equine project by April 15th, with changes being made until the May Check-In Date. (Later Dates In Place for 2021)
2. The age of the exhibitor is determined as of January 1st, of the current year.
3. Equine projects must be in the possession and continual care of 4-H members by the designated Horse Check-In Date. Any additional check-in dates or follow-ups for Body Conditioning Checks must be approved by the Horse Committee. 4-H members who lease a project must complete a 4-H Contract for leasing a Horse and fulfill requirements to be eligible to show at the fair. Lease or special housing agreements need to be on file by the Horse Check-In.
4. All 4-H members must complete a horse identification form for each horse being taken as a 4-H project and have this form on file by May 15th. 4-H'ers must indicate which project they will qualify on for State Fair on the PAS form. Horse identification forms, lease contracts, and production contracts must be turned in to the Extension Office by no later than May 15th, to be eligible to show.
5. As space is available, 4-H members may exhibit up to two equine projects and one production (mare and foal or yearling) project at the fair. They may enroll in as many 4-H projects as they feel they can successfully complete. If two (2) horses are brought, one (1) is designated as the exhibitor's showmanship horse and can't be changed after the registration deadline without Horse Committee approval.
6. Two members in the same family will be permitted to take the same horse as their 4-H project provided each individual case is identified by the Horse Check-In. Hardship situations will be reviewed on a case by case basis and voted on by the 4-H Horse Committee.
7. 4-H members unable to take a horse can take a "Horseless Horse Project" to learn more about horses. All 4-H'ers taking the "Horseless Horse Project" must be interviewed to complete their project. They must complete the sections of the "Horseless Horse Project" book respective to the 4-H'ers age. Interviews will be conducted during pre-fair general project judging before the fair. Horseless Horse members may show another 4-H'ers horse in Horseless Project Classes at the County Fair Horse Show. If planning to show another member's horse in the Horseless Horse class, advisors should pair "Horseless Horse" members up with a member who has a horse by May 1st or as soon as possible.
8. Cloverbud boys and girls (5 years old and in kindergarten thru the 2nd grade) can be in a horse club monitored by a specific advisor(s). **However, they cannot participate in any direct involvement (such as riding) with the horses according to state guidelines.** New project activities are available for use with Cloverbuds. Advisors are encouraged to use this approved material.
9. 4-H members must attend five (5) 4-H club meetings and have completed the Safety Training before they can participate in a State Fair (PAS) Qualifying Show.
10. Project animals cannot be switched during the year. Potential hardship cases must be reported to the 4-H Horse Committee. All applications must be accompanied by a vet certificate. Hardship cases are not considered for State Fair participation.
11. When an animal is traded or sold during the project year, the project will not be eligible for awards or to show at the fair. Members may continue to attend 4-H meetings and participate in club activities

- but cannot be judged in this project. To receive a fair pass (if the traded animal is their only project) these members must complete their project book, attend the specified number of meetings and exhibit a poster or educational display at the fair.
12. All animals carried as 4-H projects and those that are shown at State Fair must be owned or leased and in the continual care of the 4-H member by the date specified by the Jackson County 4-H Horse Committee. Continual care does permit boarding an animal, provided the member is involved in caring for the horse.
 13. Lessons, instructions and advice for the member are encouraged. As long as the member is present in a learning situation, such assistance can include occasional riding or handling of the horse by another person, but cannot include regular training and care of the horse within 30 days of competition in any county show, state fair qualifying show or the state fair junior horse show. Showing a 4-H'er's project animal in a class at a show is not considered training. However, if a project animal is shown by someone other than the 4-H'er in an open or breed show within the 30 days prior to the 4-H competition, the 4-H'er must be present and have shown the project horse in that show.
 14. Family members can ride a 4-H'er's project horse without the 4-H'er being present within the 30 day limit as long as it is not a daily occurrence and is merely for pleasure and does not include training of the horse for the show ring (i.e. trail riding with visiting relatives or friends).
 15. Only 4-H members showing a horse at the fair can ride another 4-H member's horse. There is to be no riding of another 4-H member's horse the day of the show. 4-H member must have both sets of parent's permission to ride another member's horse.
 - 16. Forbidden substances or methods are not permissible.** Horses must be made available for drug testing upon request of show management.
 - 17. The administration of any drug affecting the central nervous system (stimulant or depressant) to a horse shown in any 4-H class is strictly prohibited.**
 18. The full use of modern therapeutic measures for the health of those, including the non-steroidal anti-inflammatory drugs, is permitted unless the drug may also stimulate or depress the circulatory, respiratory or nervous system. A veterinarian's certificate must be filed with show management prescribing the anti-inflammatory drug prior to showing. **All medication and treatments are subject to ODA guidelines, laws and rules.**
 19. The use of irritants (including blisters, ginger or similar soring or pain inducing substances or devices) that affect the gait, carriage or performance of the horse are forbidden.
 20. Any exhibitor guilty of showing an animal under the influence of any prohibited drug, using any forbidden substance or failing to file a veterinarian's certificate prior to showing will be disqualified. He or she will forfeit all winnings for the show. Additional penalties may also be given by show management, **local law enforcement & the ODA** based on the situation.
 21. The judge or steward may dismiss from the ring any entry he or she feels is unruly or not in sufficient control for the safety of the handler or other exhibitors.
 22. No person other than the exhibitors and show officials will be allowed in the ring while any class is being judged without the permission of the show manager except in the case that the ring crew is needed.
 23. The 4-H horse show must have a steward who will interpret and clarify rules. Any exhibitor wishing to discuss any matter with the judge must first contact the steward who may approve and arrange such an appointment.
 24. Unsportsmanlike conduct toward judges, show management or exhibitors or physical abuse of the project horse will not be tolerated. Violators will be dismissed from the show by the show manager.
 25. Western and English horse and pony sizes are as follows: a. Horse is over 58" (14-2 hands); b. Large pony is over 54" (13-2 hands) but not exceeding 58" (14-2 hands); c. Medium pony is over 50" (12-2 hands) but not exceeding 54" (13-2 hands); d. Small pony is 50" (12-2 hands) and under.
 26. Horses are not permitted to show in pony classes. Once the height of the animal is established and the class (horse or pony) that the animal is to be shown in is determined, switches cannot be made. (For example, if a 4-H member's animal measure to be a pony and he or she chooses to show it in a horse class, he or she cannot switch to a pony class at any other Jackson County 4-H horse show in that calendar year.)
 27. Stallions may not be shown unless a part of a production project and then only through their first calendar year. Any stallion shown must be born on or after January 1st, of the current year.

28. Any horse under five years of age may be ridden two handed with a snaffle or hackamore bit in any western class. Proof of the horse's age is the burden of the rider.
29. Procedures for handling horse show complaints and protests are as follows:
- a) **Any individual wishing to discuss any matter with the judge must first contact the steward. Arrangements for a meeting and discussion with the judge will be made through the steward at his or her discretion. Anyone who fails to abide by this rule is subject to disciplinary action.**
 - b) Complaints will be handled through the show steward, who will clarify rules and arrange for the exhibitor to visit with the judge if they think the request is justified.
 - c) If any complaint cannot be resolved at the steward level, a written protest should be filed with show management.
 - i. Protests must be made in writing and signed by at least two parties filing the protest.
 - ii. A \$50 fee must accompany the protest. The fee will be retained by the show management and used to pay the costs of investigating the protest in conjunction with the rules set up by the Senior Fairboard.
 - iii. The protest and fee must be filed with the show manager the same day of the show. The protest will be considered at the time designated by the show manager and will include the accused, the accuser, an Extension representative, Senior and Junior Fair Representative and any other needed parties. If any party cannot attend, a representative must be sent.
 - iv. **A judge's decision on how a class is placed or a decision on disqualification of an exhibitor based on their interpretation of the rules for that class shall not be protested. However, animals cleared by the fair vet to show cannot be disqualified by the judge on the basis of body condition. Any questions and/or disputes must be settled prior to the judge leaving the fairgrounds. All judge's decisions are final.**
 - d) **The show manager and other 4-H management authorities have the right to prohibit an exhibitor from showing if there is evidence that the exhibitor (or someone acting on their behalf) has violated 4-H horse show rules that would make the exhibitor ineligible to show.**
30. Appropriate riding footwear must be worn at all times while riding and/or handling horses. Appropriate footwear is boots, Western or English. Flip flops and bare feet are prohibited.
31. Any 4-H volunteer/Fair Official has the right to halt a rider who is riding in an unsafe manner (i.e. "cowboying" or "doubling", etc.). The rider will get down from the horse, walk the horse back to the barn and place the horse in its stall. The volunteer/official will then notify the member's advisor and the Horse Committee. Continual disregard for this rule can result in loss of riding privileges during fair.
32. During 4-H functions, it is mandatory that youth wear protective headgear at **ALL TIMES** while riding a horse.
- 33. All 4-H horse project members must enroll in project #191R (Horse Safety Book) their first year and is required to attend 1 safety meeting a year.**
34. The 4-H, Horse Committee, Agricultural Society and County 4-H Extension Professionals shall have the authority to interpret and enforce all rules according to the best interests of 4-H members and those concerned. These committees and the 4 H Professional will determine the eligibility of any youth in questions. Jackson County rules and Uniform Rules for 4-H Horse Shows revised 2018, will be followed. All decisions will be final.
- 35. All livestock exhibits must be in place on the grounds/in their assigned space by 11:00 a.m. on Sunday of the Fair. Horses may be released from the fairgrounds following the show on Saturday.**
36. In an emergency situation, upon the direction of the Fair Vet/Horse Committee, horses may be moved from the stalls due to safety concerns without owner's permission.

JUNIOR FAIR BOOTH JUDGING

Booth exhibits at the County Fair are one of the best ways to develop a good public relations program for 4-H and your club in Jackson County. It keeps the public informed of your activities and is good training for the young people who participate.

Entries must be from a Jackson County youth organization (4-H, FHA/FCCLA, FFA, Scouts, Farm Bureau, Grange, Church, etc.)

There will be limited space for booths, so each club should decide early if they will participate in placing a booth in the Junior Fair Building. Each booth will measure no more than 6 feet long x 6 feet high x 6 feet wide. 10 feet long X 6 feet high X 6 feet wide booths may be available to bigger clubs if space allows

Return Registration to the Extension office by the Last Monday in June to Confirm Your Spot. Booths and Electric will be given on a first come, first served basis.

BOOTH JUDGING

Judging will be based on the following guidelines:

1. Theme and educational value
2. Eye appeal and neatness
3. Identification of individual members and club advisors
4. Identification of club
5. Ability to show off member's projects
6. Creativity
7. 4-H/organization motto, pledge, and emblem clearly posted
