Jackson County 4-H Newsletter

October 2022

A Note from Maddie:

Dear Jackson County 4-H Families,

I first wanted to start out by saying thank you for welcoming me so warmly into your community. I am so excited to learn and grow right alongside the youth and volunteers involved in this program, and I can't wait to get started here in Jackson County.

A little about me – I was born and raised right across the county line in Vinton County, where I participated in 4-H in a multitude of ways. I

graduated from The Ohio State University (Go Bucks!) in May 2022 and have recently started my Masters Degree at Ohio State as well. 4-H has always been a huge passion of mine, and it has always been my goal to be right back here in Southeast Ohio doing the work I love.

I am so ecstatic to be your new Jackson County 4-H Youth Development Extension Educator, and I cannot wait to get to know each and every one of you. Please feel free to stop by the office and introduce yourself, give me a call, or shoot me an email. It might take me a little while to remember your name (sorry – I am bad with names), but I'll get there!

If you have stopped in the office, you have probably had a chance to meet our new office associate Annie Miller, and our new Agriculture and Natural Resource Extension Educator Josh Winters. You might see them around at different events – so stop by and say hi when you get the chance! We are excited to have

a growing team at the Jackson County OSU Extension Office and will be excitedly hiring a new 4-H Program Assistant soon. Be sure to share the application with any great candidates you might know!

I am excited to bring back the monthly newsletter to Jackson County 4-H. I hope you find it as useful as I. This newsletter is packed full of information for members, advisors, and families, so please read it carefully and contact me if you have any questions.

I hope this newsletter finds you in good spirits and looking forward to the upcoming 4-H season.

Sincerely,

Maddie Allman

4-H Summer Recap

4-H Summer Camp

Jackson County 4-H campers had a very exciting summer at Canter's Cave 4-H Camp. This year, Jackson County sent over 100 kids to camp. Camps that youth attended include Cloverbud Overnight camp, Beginner Camp, Junior High Camp, Teen Camp, State Shooting Sports camps, and more!

At 4-H camp, youth explore the outdoors through fishing, hiking, archery, boating and canoeing, and more. Lasting friendships are made sitting around a warm campfire, silly camp songs are sung, and there is always a great time to be had. Join us at 4-H camp in 2023!

The 2022 Jackson County Fair was a success! A huge thank you to all our parents, volunteers, buyers, and exhibitors for making this year's fair one to remember. It is so exciting to see the friendship and comradery that grows each year during the fair.

The 2023 Jackson County Fair will be held July 16-22. You won't want to miss it!

Congratulations to all the Livestock and Non-Livestock exhibitors for their success at the 2022 Jackson County Junior Fair! Don't forget to send your buyers, donors, and sponsors a note of appreciation for their support of the fair!

2022 Jackson County Fair

Jackson County at the Ohio State Fair

Jackson County was well represented this year at the 2022 Ohio State Fair 4-H General Project Judging. Jackson County had 39 Ohio State Fair 4-H participants with projects spanning from creative arts to shooting sports. Jackson County had one Outstanding of the Day award, received by **Grant Riegel** of the Ridge Runners 4-H Club for their Explore the Outdoors project. Congratulations Grant!

4-H Advisor and Parent Updates:

It is that time of year again when we start recruiting new 4-H volunteers! A 4-H Volunteer is any adult who helps with the 4-H program in any way on a regular basis. These may be “parents”, “helpers”, “committee members”, or “advisors”. However, whatever you call them, they must be an approved Ohio 4-H Volunteer, have an application on file in the Extension office, complete an interview, and have passed an Ohio BCI fingerprint background check.

Anyone interested in becoming a 4-H Advisor or volunteer must fill out an application and be approved as an Ohio 4-H Volunteer before they can begin working with a club or committee.

4-H Enrollment time is coming up soon! Starting November 1st, members and advisors can begin enrolling!

Interviews will be scheduled following reference checks, at which time applicants will be given information on how to complete the background checks. Orientation meetings will be held after the first of the year. **All new volunteer applications are due by January 31, 2022.**

If you, or anyone you know, are interested in becoming an approved 4-H volunteer, please call the Extension Office at (740) 286-5044 or email Maddie at Allman.68@osu.edu to start the application process. Volunteer information can be found at <https://jackson.osu.edu/program-areas/4-h-youth-development/4-h-volunteers>

October is Paper Clover Month!

Tractor Supply Company (TSC) will once again partner with Ohio 4-H to feature the Paper Clover fundraiser. The campaign will run **October 5-16, 2022**, and you can show your support by purchasing a paper clover at your local TSC store or adding a donation at checkout for all orders made at tractorsupply.com. Since 2010, TSC's annual Paper Clover fundraiser has helped raise more than \$18 million for 4-H programs across the country, and more than \$400,000 has been raised for Ohio 4-H in the past five years alone.

One hundred percent of the proceeds from these fundraisers goes back to 4-H, with 90% of the donations going directly to supporting 4-H youth in the state where the paper clover was purchased and the remaining 10% supporting 4-H programming at the national level.

For additional details, visit tractorsupply.com/4h.

You can purchase a paper clover to support Jackson County 4-H at the TSC in Jackson, located at 780 Main St. Jackson, OH 45640
