Jackson County 4-H Newsletter

A Note from Maddie:

August 2023

Dear Jackson County 4-H Families,

First, I would like to extend a huge THANK YOU to everyone who made the 2023 Jackson County Fair a success! I am so privileged to work in such a great county that truly has their hearts in this for the kids. My first Jackson County Fair could not have been such a success without the amazing youth, parents, and volunteers who made it so great. I already can't wait to get started on making things better for next year!

The Jackson County OSU Extension Office is sad to see our Program Assistant, Dan Watson, leave our team. Dan is moving on to pursue his dream career working with youth in the deaf/blind community. We wish him the best of luck on his journey and are thankful for his time with Jackson County 4-H!

Good luck to our 4-H youth exhibiting livestock and non-livestock projects at the 2023 Ohio State Fair! Don't forget to send us photos of you at the State Fair!

I would like to let you all know that I will be out of the office from August 1st to August 7th. I will return to the office on August 8th. If you have any questions, please call (740) 286-5044 and our staff will do their best to answer your questions. Please feel free to email me and I will respond to your email when I return to the office.

This month's newsletter includes information about upcoming Jackson County 4-H events and opportunities. As always, if you have any questions, please reach out to the Office. We are here to help!

Have a happy start to your school year!

What to expect in 2024...

- ☐ In 2024, 4-H Enrollments will be due April 1st to allow for more time for clubs to get organized.
- ☐ In 2024, ALL 4-H members are expected to complete a project book, display, and project interview regardless of non-livestock or livestock project involvement. There will be two days of project judging, one for Livestock projects and one for Non-Livestock Projects. This change is being made to be more in-line with other county 4-H programs across the state.
- ☐ Grade Sheets will no longer be offered at the club level and will not be accepted.
- ☐ Youth who do not complete project judging are not considered members in good standing and therefore will not receive a fair pass as reward for project completion. If youth cannot make the original assigned project interview time, a makeup interview date will be available.
- ☐ Please prepare ahead of time by reviewing helpful materials posted online at go.osu.edu/Jackson4HYouth
- ☐ DUNF's will be due prior to fair weigh-in except for poultry projects, who will submit their DUNFs immediately following getting their leg bands.
- ☐ FairEntry submissions will be due for ALL SPECIES by June 15th. Rabbit and Poultry IDs will be entered manually by staff.

Tractor Supply Thank You Video

Thank you for all of your support of the bi-annual Paper Clover fundraising campaign at Tractor Supply. This spring, the campaign reached a major milestone – raising \$20M for 4-H'ers since 2010.

As a thank you to Tractor Supply for their longstanding partnership and commitment to 4-H'ers across the country, we'd like to hear directly from YOU, the youth and adult mentors involved in 4-H.

We are asking you to submit a brief video to say thank you to the Tractor Supply associates and share a testimonial about how the funds raised through Tractor Supply create opportunities for young people.

Videos can feature an individual, or a group thank you. We will be compiling the clips into one video to share with Tractor Supply associates ahead of the Fall 2023 Paper Clover campaign.

Video Testimonial Instructions

Sample Script:

- Introduce yourself – Name and where you are located.
- Thank you, Tractor Supply, for your support of 4-H and the Paper Clover Campaign!
- We use funds raised through Paper Clover to XXXXXX.

The video should be brief, about 15-30 seconds in length. The main message should be the thank you. And please, be yourself and try to have fun with it! (Try to use a conversational tone vs. reading from a script.)

Filming Tips:

- No fancy equipment needed. You can film using your phone.
- Keep the phone horizontal while filming. Ideally, use a tripod or rest the phone on a steady surface.
- Make sure you are in a quiet place – limit the background noise as much as possible.
- Try to set the phone up so that it's approximately at eye-level with you. Ideally, your face and shoulders will fill most of the frame without too much blank space around you.
- Try to make sure you have enough light on your face to be seen clearly. Try to avoid having lights or bright windows behind you as you film—this will create a silhouette effect in the video.

Deadline: August 18, 2023

How to Share your Video: Please email all completed videos to creininger@fourhcouncil.edu
