

Dear Potential Volunteer,

Let me take this opportunity to thank you for expressing an interest in becoming an Ohio State University Extension volunteer. Each year, thousands of volunteers contribute their time, energies, and talents that enable Ohio State University Extension to engage people in educational programs that meet their immediate needs.

All individuals who are interested in volunteering with Ohio State University Extension and working with a member of a vulnerable population (minors, elderly over age 65, or individuals with disabilities) must complete a selection process under the direction of an Extension professional.

To more efficiently and effectively support our service recipients, Ohio State University Extension has a policy concerning the selection of individuals who desire to volunteer for the organization in a long-term and/or higher risk position. While the actual order of implementation may vary from county to county, all potential volunteers will: (1) receive a position description; (2) complete an application and return to Extension office; (3) have references collected by Extension professionals; (4) complete an interview; (5) submit to a criminal history fingerprint record check; (6) agree to and sign the volunteer standards of behavior form; and (7) participate in an orientation/training program.

Please know that all information related to the selection process may be updated periodically and will be kept in a secured file cabinet. This information will be kept on file for a minimum of three years following the receipt of your materials or the completion of your involvement as an Ohio State University Extension volunteer (whichever is longest). The release of information will follow The Ohio State University and Ohio State University Extension operating procedures and will be in accordance with Ohio law.

Working with individuals in your community can bring you immense satisfaction as you help them grow, learn, develop, and succeed. Additionally, volunteering provides you an opportunity to gain new skills, help others, and meet new friends. We hope that you recognize the tremendous benefits of volunteering and will join us in helping ensure that everyone involved has a positive, educational experience.

We appreciate your cooperation and look forward to potentially working with you.

Sincerely,

Madison Allman

VOLUNTEER STANDARDS OF BEHAVIOR

These Standards of Behavior are accepted by volunteers who commit to an Ohio State University Extension (“OSUE” or “Extension”) program as a condition of their volunteer status. The Standards of Behavior shall guide volunteer’s behavior during their involvement in Extension programs. Just as it is a privilege for Ohio State University to work with individuals who volunteer their time and energies to the organization, a volunteer’s involvement with OSUE is a privilege and a responsibility, not a right.

OSUE provides quality educational programs accessible to all Ohio citizens. The primary purpose of this Standard of Behavior is to ensure the safety and well-being of all Extension program participants (i.e., members, their parents and families, professionals, and volunteers). Volunteers are expected to function within the guidelines of OSUE and the individual program area (4-H, Agricultural & Natural Resources, Family & Consumer Sciences, and Community Development). Extension volunteers shall act with personal integrity.

Ohio State University Extension volunteers will:

- Uphold volunteerism as an effective way to meet the needs of youth and adults.
- Uphold each individual’s right to dignity, self-development, and self-direction.
- Accept supervision and support from professional Extension staff while involved in the program.
- Accept the responsibility to professionally represent the activity/program and The Ohio State University. Conduct themselves in a courteous and respectful manner, exhibit good sportsmanship, and provide positive role models for all youth.
- Respect, adhere to, and enforce the rules, policies, and guidelines established by their individual county Extension program and The Ohio State University.
- Not engage in abusive behaviors that physically or verbally threaten or harm anyone participating in or attending an Extension program, including youth.
- Not possess or consume intoxicating substances including drugs or alcohol while responsible for the care, custody or control of 4-H participants.
- Refrain from engaging in any criminal conduct. Comply with all applicable civil rights laws and policies, including but not limited to Ohio State equal opportunity, nondiscrimination policies, social media, and program participant policy.
- Perform duties in a responsible and timely manner as outlined in the position description.
- Immediately report any threats to the volunteer’s emotional or physical well-being to the county Extension professional.
- Accept the responsibility to promote and support Extension programs in order to develop an effective county, state, and national program.
- Handle animals and operate machinery, vehicles, and other equipment in a responsible manner.
- Do their best to help youth thrive while exploring their ‘sparks’.
- Read and uphold the Youth Privacy Principles located at go.osu.edu/youthprivacy

I understand and agree that as a volunteer:

- I understand that I have an ongoing obligation to self-disclose to OSUE within three business days if I am indicted, pled guilty and/or are convicted of a crime which constitutes an offense of violence under Ohio law (Ohio Revised Code §2901.01(a)(9)).
 - If I have been background checked and have had a break of service for less than 12 months, I will disclose any convictions that occurred during the break within three business days of commencement of participation in youth activities and programs. If the break in service is longer than 12 months, I must be background checked again.
- I will follow Ohio State University Institutional Data Policy, which specifies requirements for protecting institutional data, including but not limited to 4-H member and volunteer personal data.
- I will report any red-flag behaviors, child abuse, sexual abuse, or neglect in accordance with university policy.
- I will not intentionally or purposefully place myself in a position alone with a member of a vulnerable population, in a one-on-one situation, including, but not limited to sleeping quarters with participants.
- I will not, under any circumstances, physically, verbally, or emotionally abuse or fail to provide the basic necessities of care, such as food or shelter to participants.
- I will endeavor to provide a safe and healthy program/camp experience for all participants.
- My volunteer status is subject to immediate suspension or termination based on any act or omission that Extension determines to be contrary to any portion of these standards or otherwise in conflict with the goals of OSUE at the OSUE’s sole discretion.

I have read, understand, and agree to be bound by the **VOLUNTEER STANDARDS OF BEHAVIOR** outlined above.
