# 4-H Conservation Day

Join Jackson County OSU Extension and the Soil & Water District for a day of fishing, learning, and fun!

Open to youth in **grades 3-5**, the 4-H Conservation Day will focus on all things soil and water conservation, including fishing, water safety, microorganisms, outdoor first aid, and more!

Youth interested in exploring the outdoors and keeping our planet healthy are encouraged to register by **May 24<sup>th</sup>**.

Register at  
[go.osu.edu/4HConservationDay](https://go.osu.edu/4HConservationDay)

For more information, visit [Jackson.osu.edu](https://Jackson.osu.edu)

**Thank you to the Jackson County Soil & Water District for sponsoring this event!**
