

Jerky Flavor Descriptions

Sweet BBQ: Our all time best selling flavor. Blended with award winning BBQ seasonings and sweetened with fresh milled brown sugar. Smoked and cooked to perfection making it lip smacking good. A sweet, tangy, & smokey favorite.

Sweet Annie Brown: Another favorite, made with real honey and brown sugar. Savor the flavor with this delectable snack. Arguably the best snack stick in the world!

Bold Teriyaki: This is an orange mandarin teriyaki flavor that will cause our competitors many sleepless nights. A sweet Asian teriyaki fusion with a hint of smokey citrus. Mouth watering!

Ghost Fire: For years folks would debate whether or not our Volcano flavor is hotter than the Cajun style? Well this new entry will put an end to the "which is hotter debate" It is by far the hottest snack stick we have ever crafted ... Brave souls will come out of the woodwork for a challenging snack like Ghost Fire! It has a habanero based seasoning but we added an extra kick with Bhut Jolokia pepper or better known as the "Ghost Pepper". This exotic pepper is among the hottest on the planet and is sure to satisfy the toughest connoisseurs.

Hot Cajun: To truly be called Cajun you need three different peppers. White, black and red blended and seasoned to send your taste buds deep into the bayou. A favorite for the connoisseur who enjoys extra spice in their life.

Sweet Maple Bacon: With an aroma like maple syrup and bacon. Real bacon and maple is the secret, it takes only one bite to fall in love.

Original Smoked Hickory: We needed a solid, old school hickory snack stick. I'd like to say we invented this one like, all our other flavors but alas, it was perfected by a team of seasoning blenders who then proceeded to win awards in taste competitions on the world stage. Enjoy world class taste in this mild, rich and hickory flavored smoked to perfection snack stick.

Mango Habanero:

This flavor is delicious and the word around the shop is that it will be the new best seller! It is simply amazing. As you bite into it you get a subtle, rich mango flavor which gives way to a mild heat and finishes with a collaboration of the 2 flavors in perfect balance. Imagine you are in the tropics and the sun is setting, you've been in the surf all day but there is a steel drum band playing your favorite song, right where the water meets the sand... That's Mango Habanero!

Pepperoni: In the world of Pepperoni you are either good or bad. Be prepared, ours tastes incredible!

Old#9: Picture a steak marinated in a sweet bourbon pepper- corn sauce. This was our vision for this snack stick and today it's a reality! After 9 tries at this formula, it seemed only right to name her Old #9.

Hot BBQ: We start with our award winning BBQ stick. Then we kick it up with hot red pepper to make a taste that starts out sweet and ends with heat!
